Your new puppy is guaranteed against viral diseases up to seven (7) days beyond the date that the puppy is taken home. **The puppy MUST be examined by a veterinarian within seven (7) days for this guarantee to be valid.** If the veterinarian finds abnormal results in the exam (apart from any imperfection that was made know to new owner at the time of sale), then the breeder (Breeder Name) must be called immediately and copies of the vet report(s) supplied to the breeder. After this is provided, the breeder (Breeder Name) will offer a reimbursement or solution based on veterinarian's findings. In case of puppy death within the seven (7) day period, an autopsy must be arranged and paid for by the new owner, and findings must be submitted to the breeder before any exchange will be made.

Your new puppy is also guaranteed up to, and no more than one (1) year from purchase date against major genetic defects, effecting the heart, lung, liver, kidneys, etc. If the examining veterinarian concludes that the puppy has a serious genetic illness, the breeder must be notified and proper documentation provided to the breeder by the veterinarian. Once this is reviewed, the new owner will have the option to bring the puppy back in exchange for another puppy of equal or lesser value, or a reimbursement (whether in part or in full) will be provided at the breeders discretion. **At no time will your credit exceed the purchase price of your puppy.** The breeder is not responsible for any veterinarian bills you incur with your new puppy.

The breeder can assume no responsibility for this puppy after leaving the premises for any medical expense, death, allergies, training difficulties, behavior issues, etc., though we are dedicated to the well-being of the puppy both before and after it goes to its new home. We CANNOT guarantee a puppy for breeding and showing purposes, even when sold with full registration. We will give our professional opinion on whether a puppy may or may not be breeding/show quality, but it cannot be guaranteed. This guarantee DOES NOT INCLUDE the following: **Hypoglycemia, Colds/Upper Respiratory Infection, Coccidia, Giardia, and Other Minor Illnesses.**

Known abnormality(s) or Surgery(s) prior to puppy going home: _____

"I, the new puppy owner hereby agree to the above purchase agreement and Health Guarantee for my new puppy, and I signify that I have been made aware of any known abnormalities or surgeries regarding my puppy. Furthermore, I will commit to providing the best possible care to my new puppy after it leaves the breeder's premises."
